Acknowledgments:

The technical team of the LIFE+Econnect project would like to thank Hermandad de Campoo de Suso Council, its technicians and, in particular, its mayor, Pedro Luis Gutiérrez, for their collaboration, support and commitment to the project. They would also like to thank the staff of Cantur who have worked on the implementation of the conservation action in the Alto Campoo ski resort. Also Nacho Zubezu for his particular involvement in illustrating the poster on the nature of Alto Campoo. Finally, thanks go to the companies and consulting firms that have undertaken the various jobs throughout the project, in particular AC Projects, IH Cantabria, Ecoestudios, BHS Consultants, porENDE design studio, Endo Olea, and Pangea Projects.
